NONPROFIT HR WINS BEST OF STAFFING® TALENT AWARD FOR FOURTH CONSECUTIVE YEAR!

Job seekers who work with winning agencies are 1.7 times more likely to be completely satisfied.

WASHINGTON, DC – February 12, 2019 – Nonprofit HR, a leading human resources and talent management firm for nonprofits, social sector organizations and social enterprises announced today that they have won **ClearlyRated's Best of Staffing® Talent Award** for providing superior service to job seekers. Presented in partnership with CareerBuilder, ClearlyRated's Best of Staffing Talent winners have proven to be industry leaders in service quality based entirely on ratings provided by the permanent and temporary employees they've helped find jobs. On average, candidates who have been placed by winning agencies are 1.7 times more likely to be completely satisfied with the services provided compared to those placed by non-winning agencies. Less than 2% of all staffing agencies in the U.S. and Canada have earned the Best of Staffing Award for service excellence.

Focused on helping to connect people with the right positions and organizational cultures to further their careers, Nonprofit HR received satisfaction scores of 9 or 10 out of 10 from 56% of their placed job candidates, significantly higher than the industry's average of 45%. 2019 is the fourth consecutive year that the Nonprofit HR has won the award. 2016 was the firm's first year of entering and winning the highly-sought-after designation.

"Nonprofit HR's contingent talent services for mission-driven organizations is multi-faceted. We help nonprofits fulfill their strategic objectives through our thoroughly-vetted, highly qualified contingent staff, and we help our contingent staff find rewarding career opportunities within cultures that allow them to thrive. We've repeatedly won the Best of Staffing Talent designation! Winning each year is a testament to our exceptional Talent Acquisitions Practice Area's leadership, and the team's commitment to understanding our client's talent needs." said Lisa Brown Alexander, President and Founding CEO for Nonprofit HR.

"In today's historically tight labor market, attracting high-caliber candidates is a mission-critical focus for staffing and recruiting firms," said ClearlyRated's CEO Eric Gregg. *"Best of Staffing Talent winners have set themselves apart in this competitive talent market by demonstrating their commitment to job seeker satisfaction, investing in a survey and feedback program that brings transparency to the talent experience at their firm. I'm thrilled to showcase these service leaders alongside their validated talent ratings and testimonials on ClearlyRated.com!"*
