sarah.loghin@us.forvismazars.com

Sarah is the Austin/San Antonio market champion of Forvis Mazars' Nonprofit, Education, & Public Sector Practice and has more than 22 years of experience in nonprofit accounting. She leads consulting engagements regarding financial operations and systems optimization, internal control design and documentation, chart of accounts design, and policy and procedure development for a variety of nonprofit organizations. She and her team provide periodic accounting services, audit preparation, and other accounting and compliance support to various nonprofit entities. She also assists higher education institutions across the nation with implementation of Forvis Mazars' Financial & Scenario Modeling tool.

Her career experience has centered on nonprofit entities, serving in various accounting and finance leadership roles in institutions of higher education and religious organizations. Sarah has additional experience providing audit services for a variety of nonprofit entities.

Sarah is a member of the American Institute of CPAs, Institute of Management Accountants, Inc. (IMA), and Association of Certified Fraud Examiners, Inc. (ACFE). She holds the Certified Management Accountant (CMA) certification from IMA and the Certified Fraud Examiner (CFE) credential from ACFE. She serves her community through active membership in the Austin Chapter of TXCPA and Social Venture Partners Austin.

She frequently presents about audit preparation, risk management, governance relationships, and chart of accounts design for nonprofit entities.

Sarah is a summa cum laude graduate of Schreiner University, Kerrville, Texas, with a B.B.A. degree in accounting.
